

Find Us on the Road to Your Next Career Opportunity.

The Alaka`ina Foundation Family of Companies (FOC) provides Federal and DoD customers the qualifications and proven performance of a much larger organization combined with the enthusiasm and personal attention of a family of small, fast-growing, and agile companies. We offer career opportunities in biomedical R&D; professional & administrative support services; cyber security and information technology; telecommunications; base operations & facilities management; and emergency/disaster risk reduction & management. We focus on providing the highest level of services and solutions to our customers.

**Our `Ohana invites
you to explore** our latest
opportunities offering
competitive pay, benefits,
and rewards.

One team with One mission
